Monterey Financial Gives Back to Pets in Need

Company's long history of participating in projects that give back to the community extends to helping animals searching for their forever home.

OCEANSIDE, CA – March 5, 2019 — Monterey Financial Services

(www.montereyfinancial.com), a leading consumer finance company and PETA member, was pleased to partner with the San Diego Humane Society to gather donations for animals in need. Through a combination of community efforts driven by Monterey Financial and direct employee donations, they were able to gather and donate many items to the San Diego Humane Society to go toward animals still searching for their forever home. Monterey also made a cash donation to help with the Humane Society's ongoing goal of ending animal homelessness.

"As someone who has 3 adopted pets from the San Diego Humane Society I have seen firsthand the care and effort that the Humane Society takes in helping these animals transition from homelessness to loving families. We were pleased to be able to give back to them so they can help more animals. We are looking at more ways we can expand our relationship with the Humane Society, outside of our annual donation drive, because we feel that every animal should have a safe and loving home" Said John Owens, Executive Vice President of Monterey Financial.

Employees at Monterey Financial are proud to work for a company with a long history of helping organizations in their community. Ameer Dominick, Loan Servicing Supervisor, "I love working for a company that cares about the community they are a part of. The leadership at Monterey

encourages all employees to find ways to give back to the community in areas they are passionate about. It is something we all look forward to and are excited to do.”
